

INVITATION FOR 5-DAYS TO ATTEND TRAINING ON ADVANCED MS. EXCEL FOR FINANCIAL STATEMENTS PREPARATION WITH CPD HOURS

Dear sir/madam,

We cordially invite you and your esteemed staff to participate in a comprehensive training on Year-End Financial Statements Preparation and Advanced Excel techniques. This seminar, designed for professionals in both the Public and Private sectors, as well as NGOs, will provide valuable insights and enhance your expertise in financial statements preparation using advanced Excel.

Course Overview:

The seminar is meticulously curated to meet the needs of Chief Accountants, Heads of Finance Departments, Accountants, Tax Officers, Internal Auditors, Finance Managers, and others. Upon successful completion, participants will earn CPD hours and receive certificates.

Training Objectives:

By the end of this course, participants will be able to:

- Prepare accurate and professional financial statements using advanced Excel techniques.
- Utilize Excel formulas and functions for financial analysis and reporting.
- Leverage Excel tools to automate repetitive tasks in financial statements preparation.
- Implement best practices for organizing and structuring financial data in Excel.
- Understand how to apply data validation, protection, and conditional formatting for financial reports.
- Master the use of Pivot Tables and Pivot Charts for dynamic financial reporting.

Training Outcomes:

Upon completion of the training, participants will:

- Gain expertise in preparing financial statements such as Income Statements, Balance Sheets, and Cash Flow Statements.
- Develop skills in financial data analysis and management using Excel tools.
- Be proficient in automating financial reporting processes to enhance efficiency.
- Acquire knowledge of creating interactive dashboards for presenting financial insights.
- Receive CPD Hours certification to support their professional development.
